## **FROM THE HEAD OF COLLEGE**

### **SCHOLARSHIPS AND AWARDS**

On Friday night we held the annual Scholarships and Awards Dinner and once again we were spoilt by the talents of Chris Martin and his team! It was a most enjoyable evening and served as another reminder of how fortunate Trinity is to have so many talented young adults within our community. Craig Pederick, who has been a resident at Trinity since 2005, presented the speech for the evening and took the opportunity to reflect on his experiences at College.

It was also a great pleasure for us to host past Principals, Dave Robinson and Richard Craig, and for them to present the scholarships awarded in their names.

On behalf of the College, I extend our congratulations to all the recipients:

## CROCKERY AND CUTLERY

We are having some difficulty with people not being considerate by taking these items from the Dining Room. Charges will apply if people persist in taking meals, crockery or cutlery from the Dining Room.

## COMMUNITY & ENVIRONMENT

### Community Service & Environment

Hello again for another week!! What a busy one it has been! Hope you are all managing to stay on top of things while still enjoying the life college has to offer. Just a few things to touch on this week in terms of CSE...

### Worlds Greatest Shave

Thanks so much to everyone who came and supported WGS last Thursday. The night was incredibly successful and we managed to raise a total of \$2367.85. Here is the list of achievements by wing :

Durrow	\$833.70

Flargyl	\$326.35
Iona	\$203.25
Derry	\$154.60

Hull	\$63.25
Cook	\$62.85

Well done to Durrow who took out the number one spot!! I must also make a special mention and thank you to Jen Turliuk, Matt Hulse & Jeremy Saban who individually raised several hundred dollars each. We could not have done it without your amazing efforts.

### Freeway Bike Hike for Asthma

The 2009 HBF Freeway Bike Hike for Asthma will be held on **Sunday 22nd March 2009** and will kick off with the 60km Hike from Kwinana followed by the 30km Ride through the Tunnel with plenty of fun to be had in the 10km City of Joondalup Family Ride, with all events finishing in the City of Joondalup for more fun, food, entertainment and festivities.

You have a choice of three (3) **Starting Points:**

Alternatively, we are taking people to Belmont to help as Traffic and Vehicle Control. If you are willing to help out turn up nice and early in the JRRCR on Sunday at 6.30am.

### **Residents Energy Challenge**

Trinity is embarking on a new program to reduce water and energy usage across campus. This will be a competition between colleges and will finish off with a HUGE IC Tav Party at the end of semester to celebrate our achievements. Please keep an eye out over the coming weeks for information sessions at meal times and be mindful of what you can do to help our environment. This includes simple things like placing all bottles and cans in recycling bins provided around college, being cautious of how much food you take at meal times so that you don't throw any away and turning off your light when you are not in your room.

Well that's it for this week, thanks again to all of you for your continuous support in everything we do. Looking forward to seeing you all at more events throughout the semester. Have a wonderful week,  
Cheers, Mim :o)

## **SPORT**

Hello there you fine people of Trinity!

First of all congratulation to everyone who has played sports for our great college this year. We have done extremely well and off to an awesome start of maintaining our high level of sportsmanship and involvement. Lets hope we continue through to the end of semester!

Well done to everyone who got involved in the touch rugby over the weekend, both boys and girls dominated with the boys being undefeated and the girls just nudging out Cats to being the points home. In the girls standards were high will each and every team member contributing to our success. Special mention must go to Derelyn Chua for being a super star Captain and demonstrating her knowledge and skills to the team before the game! You all rocked it! For the boys, it was a real team effort with every single player making their mark over the three games. Well done to both teams, you did Trinity proud! Next up basketball with try outs being Wed and Thurs at 4pm for the girls at the Trinity court, and Wed 3.30 and Thurs 4pm for the boys at the UWA courts. Assistant Sports Directors will be announced at the OGM on Thursday evening. Congrats to all those who nominated for the two positions, the votes for guys and gals were extremely close! That's it from us, until next week! See you at UWA indoor courts on Sunday arvo at 1pm for some quality basketball!

# FROM THE WING RAs

## COOK CREATURES

Cook Champions,

Firstly, I would like to congratulate our very own Interwing basketball champions!! What a fine job they did over the weekend by winning all their matches. Huge thanks once again goes to Carmen - our most valuable player - only girl on the side and what a star she was. I want to take the time to encourage everyone that couldn't make it this weekend to keep free the next interwing sports. Participation is what it is all about!! Other mentions must go out to Jon - who undoubtedly gets the smack talk award - bringing laughter onto the court - always a good thing! Brody and Leo - thanks for keeping our average team height high - and for scoring the millions of points! Christophe - awesome finals debut did us proud. Not to mention he also held it down for Trinity in the tennis last Sunday. Well done! Finally Wayne - love your shooting style - definitely added some extra style to the game.

On other news, thanks to all that attended the first wing event of the season. If you were there you would have heard about our next wing event - Western force vs sharks in rugby at Subiaco on the weekend - if you are interested let Wayne or Ceri know ASAP!

Remember, perserverance is not one long race but many short ones, one after another so lets keeping participating gang.

Till next time..... BIG love - Wayne & Ceri XOXO`

## DERRY DINGOES

What's up dogs?

Hope everyone is still living the high life here in Derry Wing! First off, thanks to all of you who made the effort to come down to IW basketball on Saturday morning. The Dingoes put up good fights against South and Cook Wings (who incidentally both went on to play in the grand final). Secondly, congratulations to all those who participated in the World's Greatest Shave last Thursday. There seemed to be heaps of the Derry crew down at the JRCR encouraging people to lose it all up top. Now onto some important news, DERRY WING PIZZA NIGHT IS THIS THURSDAY. It would be great if we could get every single Dingo down the JRCR for an 8:00pm start. Another important event happening this Thursday is the Trinity Resident's Club Forum. This will give you all a chance to voice any opinions or ideas that could help in bettering the running of the college. Happy birthday to Dick, Ben, Daniel and Connor who have all turned 19 in the past week. That about all folks, remember to rustle up your mates in the corridor for the Pizza Night on Thursday. Keep it real everyone,

Love Krysta and Pearse

PS: Did you know STUMPS Canteen is open TUESDAY & THURSDAY 8:30pm-late? Get some STUMPS up ya!

## MIGHTY DURROW DUCKS

Bonjour Durrow Ducks!

Well firstly, thank you so much to everyone who donated to the World's Greatest Shave on Thursday. There was fantastic Durrow representation and thank you to all those who got involved. As a wing we raised the most money which was \$833.70!! Matt and Jeremy shaved their hair and raised \$353 and \$312 respectively and Zac waxed his legs for everyone's entertainment. Nice work boys!! Thank you also to everyone who came down to play Interwing Basketball! We had a great turnout and ended up 3<sup>rd</sup> so well done!

There are a couple of things happening this week. A few people have signed up for our second **Wing Event** which is the **Western Force** game on Saturday (21<sup>st</sup> of March). Check the notice board for more information on that, such as where to meet and how to get to Subiaco Oval. **Touch Rugby** is on this weekend so make sure you head down to the trainings if you're interested in playing or you can head over to James Oval at UWA on Sunday and support Trinity.

Don't forget that **Supper** is on every Tuesday at 9pm! This week it will be in the JRCR.

I hope you are all going well at university so far. Remember, if you have any problems at all just ask one of your awesome RA's and we will help you out.

Something to think about...

*What is the word that has 1 syllable, but when you add 1 letter to the end, it becomes 3 syllables?*

Peace.

Mands V and Ash V

## FLARGYLL RAVENS

Hello peeps,

### **IW Basketball**

First of all thanks soooo much to Megz, Aaron and Graham (aka legends) for representing Flargyl at IW Basketball on Saturday. They came in 4<sup>th</sup> - a HUGE effort. Something will be coming your way as a token of our appreciation. But next time we want to see more of you down there!

### **World's Greatest Shave**

While we're on the subject of legends, what a benevolent bunch you are. Mad props to all you guys who donated to this great cause and a massive big up to those guys and gals who participated. As a college we raised over \$2,000 and per capita Flargyl raised the 3<sup>rd</sup> most \$\$\$ in Trinity. Thanks again to everyone, your generosity is very much appreciated by those who need it most.

### **IC Touch**

Challenge for the week - be the wing with the most number of supporters at IC Touch on Sunday. Just come down for an hour or so and cheer on the boys and girls doing our college proud. This is an easy one if we all get into it. Let's do it!

Make sure you check out the Community & Environment report. There's heaps going on and we're sure something will take your fancy. Also, the NAAUC conference is approaching. This is such a great experience - and you get to go to Sydney! I would encourage you all to go. Keep your eyes peeled for further information.

Don't forget to fill out and hand in your vacation forms!

Love love, Mim and Spider ☺

## HULL'S HOLLYWOOD

Hello Hull!

Hope you all had a fabulous time at the Rugby on Saturday night! Thank you to those of you who came along, it was awesome! Tonight the Res Club are holding a coffee crawl so if you are keen to go make sure you sign up ASAP because places are going fast and there are limited numbers. Also this week the compulsory OGM is on Thursday night, there will be excellent door prizes such as Ipod shuffles, so see you there! A very big happy birthday to Owen (26<sup>th</sup>) and Sarah (29<sup>th</sup>) this week, when you see them make sure you give them lots of birthday love!

Have an awesome week everyone, and remember our doors are always open!!

Love Deva & Skye

## INTERGALACTIC IONIANS

Gday again Iona. Not a whole heap to report on this week. Firstly, thanks to everyone who came to the wing event. Im sure you'll all agree the chocolate was extra tasty. Also a

special thanks to Steve for helping setup and Jess for helping us clean up. You are absolute champions.

Well done also to all those who played touch on the weekend and congratulations are in order as we won everything. Well done. Dont forget to come to the OGM on Thursday (or put in an apology).

Most importantly, this Saturday markets the start of the IC Energy Challenge. It kicks off on Saturday with Earth Hour, so make sure you all get to that and turn off all your power when you come, otherwise it defeats the purpose. Then after that we will be measuring the amount of power and water used by the wings in Trinity, so if we use the least energy, there may be some wing points up for grabs. Please at least try to minimise you energy usage. Finally, our RA run event for the semester is on the 7<sup>th</sup> of Aril and looks to be a country club evening with bocce and croquet, where everyone needs to dress up. Get involved, it'll be lots of fun. So thats about it this week, remember if you find your struggling with upcoming mid-semester's or you just want a chat, you are always welcome to come knock on our doors. Peace out Iona!

Love Craig (Peds) and Freya (Dizzle)

## **SOUTH SHARKS**

Waassabee! How are we all south sharks? I hope you had a great weekend and are psyched for the week ahead! We had a great time at the game and hope you guys did too!! We know sharks came out on top for the rugby, which is something we hope will happen at the end of the inter-wing comp this year! Go south (wing) sharks! Get ready for the 7<sup>th</sup> of April, with the RA's organising an English Country Club Bocce and Croquet tournament! So get your country club outfits ready, its going to be a blast! Lots of birthdays this week...Happy birthday to Fi for today, Thomas M and Brad F on the 26<sup>th</sup>, Liam S for the 27<sup>th</sup>, Drew for 28<sup>th</sup>, Vrushali and Liz M on the 31<sup>st</sup>! Have an absolutely awesome day guys!! That's all from us, hope life is treating you well.... feel free to come and have a chat with us if you need anything! Peace out team!

Love Bec and Timo xxx
